

What can we do now?
Communication is the answer.

GENERATION: COLD OPEN

an intimate study of communication using
contemporary podcasts interpreted into
American Sign Language.

learningresiliency.com/generation/cold-open

Stephanie Jo Kent

GENERATION: refers to the Chinese Zodiac completion of a full cycle of life (at age 60) and entering a new lifecycle with vigor, possibly including earned wisdom from lived experience.

COLD OPEN: implies comedy, suggesting humor—watch for it!—and continuity. Also, note multiple meanings of the phrase, “stand up,” inviting consideration of the significance of interpreting.
